

## **Clarity Intelligence**

Clarity is nature's intelligence. It is the potent, pure, liveliness of nature's intelligence and is the basis of human intelligence and consciousness. Thus, clarity is the spontaneous presence of nature's intelligence apparent as the foundation of your own intelligence.

Nature's intelligence is the indestructible seal of all of nature's aspects, without exception, and the entirety of its potency and potential is present as your own 'power to know'. The 'power to know' itself is equal to or synonymous with nature's pure intelligence. This fundamental intelligence is the source of all knowledge and enjoyment. It pervades and potentiates the cascade of nature's ceaseless, countless, unpredictable phenomena.

Your own power to know is clarity itself, equal to nature's intelligence. This intelligence is indestructibly open, spontaneously present and indivisible. Primordially present, clarity is the basis of an always already present society of all phenomena. Therefore, your own instinctive clarity is the basis of multiversal clarity society. All humans have the potential to join together in potent, intelligent, peaceful society through the power of instinctive recognition of clarity.

Your own clarity, which is synonymous with nature's intelligence, is the core and optimal operating system, platform and network sustaining all worlds, dimensions and systems, as many as there may be. Clarity

[www.balancedview.com](http://www.balancedview.com)

is the indestructible, sovereign vehicle, the fundamental intelligence of the multiverse, potentiating inexhaustible beneficial qualities and activities, evenly and equally throughout all phenomena whatsoever. All phenomena, their form, shapes and aptitudes, are indelibly and exactly imprinted with the magnificent benefit, prosperity and generosity of the great clarity society. Upon instinctive recognition of clarity, all of human society is beneficial, prosperous and generous.

Great clarity—nature’s intelligence itself—resounds throughout all sounds, known and unknown, whatever they may be, everywhere and without exception, issuing unerring, emphatic statements endlessly. Clarity’s voice is the basis of all sound, the reverberation of the primordial syllable granting sound of all kinds its primordial flawless, stainless quality, ringing endlessly throughout all worlds whatsoever. All entities of whatever kind are aspects and agents of nature’s intelligence, fully empowered with its unending, magnificent, wish-fulfilling, beneficial, prosperous and generous activities.
